Somehow Good ONE great lesson the Old Testa-

People often act from bad m es: yet even the worst of me nemies. That was not good; y God brought out of that a nationa dependence and strength.

David put Solomon on the throne because he was the son of his favorite wife; that was pure favoritism. Yet God brought good out of a choice which was selfish. When the Israelites were tempted to fall for the cheap and nasty gods whose shrines filled the land, that was bad; but it gave the prophets

The Voice of God HISTORY is no bucket of ashes.

If you have ears to listen, it is arry God's voice to us today. The diseases which are fatal to a nation's life are here described; the foundations on which alone true national welfare can be built are made quite plain. Up to now, all nations have per

time. That is because no nation ever yet has built its life on God's design. But the pattern is there. the lesson has been written. God still waits for a people who will learn his lesson in how to live (Copyright by the International Counc of Religious Education on behalf of Protestant denominations. Released to WNU Features.)

day through Friday, week for one million

increase of 25c an hour for every employe!

You'd pay the bill, because if these in-

creased costs are forced on the railroads,

ly earnings are higher than the average weekly earnings of workers in manufacturing industries. They have more job security than the average worker in American industry. They

Demands Unreasonable

These employes have had substantial raises

during and since the war. Their average week-

They also demand a minimum of 12 hours also enjoy paid vacations, a retirement syspay for any work performed on Saturdays, tem and other advantages more generous and 16 hours pay for any work performed on than the average worker receives. In contrast with the demands of these 16 On top of all this they want an additional unions, which add up to the equivalent of 48c an

hour, the Conductors and Trainmen recently settled their wage request for an increase of 10c

RAILROADS MUST OPERATE around the clock they must have still further rate and fare Not Employes Alone The railroad industry must serve not one but

many groups-producers, businessmen, shippers, passengers and the general publicnight and day, every day of the year. These unions are proceeding in utter disregard of this important difference between railroads and other industries. Industrial plants can be shut down over weekends and holidays, but freight, mail, express and passengers must continue to move. Everybody who enters railroad employment knows this.

Strike Threat On September 18, 1948, the leaders of these 16 unions began taking a strike vote. But the threat of a strike will not alter the opposition of the railroads to such unreasonable demands.

We are publishing this and other advertisements to talk with you at first hand about matters which are important to everybody.
